## WORK EXPERIENCE

---

- Google Inc.** <http://www.google.com/> *New York, USA* 04/2014 – Present  
*Software Engineer.* I work on the Display Ads team, building features and improvement to the web applications that publishers use to monetize their web sites and negotiate deals with buyers, and also on the web applications that buyers use to discover available inventory, and negotiate deals with publishers. More specifically, I work on Ad Exchange and Doubleclick platforms.
- Cline Davis & Mann.** <http://www.cdmworldagency.com/> *New York, USA* 11/2014 – 03/2014  
*Freelance Front End Developer.* I worked developing the front-end side of web projects (javascript/html/css).
- Razorfish.** <http://www.razorfish.com/> *New York, USA* 08/2014 – 11/2014  
*Freelance Presentation Layer Engineer.* I worked on a contract for front end work on the replatforming of [freshdirect.com](http://freshdirect.com) website.
- R/GA Media Group.** <http://www.rga.com/> *Buenos Aires, Argentina* 11/2011 – 06/2012  
*Front-end software developer* for digital interactive advertisements. I developed for the **McCormick** division, building the front end of standalone websites and Facebook campaigns, and visualization tools for the analytics team.
- Manas Technology Solutions.** <http://www.manas.com.ar/> *Buenos Aires, Argentina* 06/2008 – 10/2011  
*Software developer* in diverse platforms, specializing in building dynamic web 2.0 applications. The job involved both back end and front end development, but was more focused on the former. The company's principal clients were **InSTEDD** and **LatinSpots**.
- Ivolgamus Bs. As. S.A.** *Buenos Aires, Argentina* 03/2008 – 05/2008  
*Video games developer* for consoles in C/C++.

## EDUCATION

---

- New York University. Tisch School of the Arts** <http://itp.nyu.edu/itp/> 09/2012 – 05/2014  
Master of Professional Studies in the Interactive Telecommunications Program.
- Universidad de Buenos Aires. Facultad de Ciencias Exactas y Naturales** <http://www.dc.uba.ar/> 03/2005 – 12/2010  
'Licenciatura en Ciencias de la Computación' (Master in Computer Science), GPA: 8.875 out of 10.
